Capitelles

AOP Costières de Nîmes
White

Aromatic complexity and ageing

The stone capitelle that stands in our vineyard is the inspiration for this exceptional cuvee.

In the image of this edifice, we hope that our wine finds its place in history; like its walls shaped with precision, we search for the harmony of a delicate yet structured wine. Our ageing cellar, constructed with the same Beaucaire stone, shelters the barrels underground, under vaulted ceilings that keep them cool and allow them to age in peace.

The result of this cuvee is concentration and elegance.

The marriage of white Grenache with a touch of Roussanne and Viognier

With a touch of Vermentino -depending on the vintage-. This cuvee is a selection of our best white wine clos. Pressing of complete bunches of grapes, fermentation and ageing in demi-muids for one year. Organic Agriculture grapes and vinification without sulphur since the 2015 vintage.

Appearance

Straw gold.

Bouquet

White flower, dry fruits (almonds) with a hint of citrus and white-fleshed fruit.

Palate

A beautiful structure with a clear minerality, concentrated and fresh, a beautiful aromatic persistence.

Food pairing

To be decanted and served at 15°C, accompanying poultry with cream, sea bream in butter sauce, veal with griolle mushrooms, goat cheese tomme.

Ageing

Enjoy now or over 6 years.

Millésime 2015 - Robert PARKER'S WINE
ADVOCATE

“ I continue to love the whites from Costières de Nîmes, and these have to be some of the best kept secrets out there. For example, the 2015 Capitelles Blanc tastes like it costs twice its going rate and would stand up to a great Chateauneuf du Pape. It's made in a richer, layered and textured style and offers notes of white flowers, pear, buttered citrus and toasted bread. Drink this concentrated, balanced and classy white over the coming 2-3 years. ”
