Galets Dorés

AOP Costières de Nîmes
White

A fruity and mineral gourmet wine

The 'Galets' are reminiscent of our terroir of rounded stones known as 'grès'. Sculpted by the moraine of the Rhône glacier in the Quaternary Period, they characterise the Costières de Nîmes in the south of the Rhône Valley. This cuvee comes in all three colours; their robes resemble the shades of our white stones (Galets Dorés), pink stones (Galets Rosés) and red stones (Galets Rouges). The minerality contributes to the balance of the wine.

A union of Grenache Blanc, Roussanne and Vermentino

North-facing parcels make a 'cool' terroir in the Mediterranean climate, which gives a lot of vivacity to the wine. Similarly, controlling the temperatures during the entire cycle of fermentation and ageing allows the wine to conserve its fruitiness and freshness.

Appearance

Clear yellow with flashes of gold.

Bouquet

Fruity (citrus and white-fleshed fruit), floral (broom shrub) and mineral (flint) notes.

Palate

A quick attack with citric notes with a beautiful aromatic persistence. A silky and cool texture. A salty note, reminiscent of the sea breeze, makes up part of its finesse.

Food pairing

Brandade de Nîmes, tapas, pineapple roast pork, goat cheese. Serve at about 10°C.

Ageing

Enjoy now or over three years.

Available in
50 cl, 75 cl

Magazine Tasting Panel (June 2023)- Galets Dorés 2022

«The taste of chalk is prevalent in this blend of Grenache Blanc, Roussanne, and Rolle from stony limestone soils known as “grès.” Following luscious, ripe notes of baked pear, chamomile, and cashew butter, lemon blossom weighs in, backed by the stoney component that characterizes this white.»

GUIDE HACHETTE 2023 - Galets Dorés 2021 1 étoile

«Ces galets dorés célèbrent le mariage réussi entre un sol de galets roulés d'une teinte dorée et les quatres cépages - roussanne, vermentino, grenache et viognier - qui composent cette cuvée. Élevée sans le soutien du bois, elle offre nez flatteur de fruit à noyau, de freesia et de noisette verte. La bouche ne déçoit pas : de la vivacité, un beau volume, des arômes gourmands et une fine astringence pleine de relief. Ce joli blanc dynamique pourra prendre place de l'apéritif au fromage.»

Tasting Notes – Anyone who tells you have to spend a lot of money to find great wine should taste this outstanding, dry white wine. Like several of the Rhone white wines recommended last week, this one has a crisp, dry, flinty finish. Its flavors are slightly different, though, and lean towards hints of lemon and citrus flavors and floral aromas. An absolutely outstanding wine at an amazing price. (Available from several locations online.)

Magazine Bloomber «50 Best Wines Under \$50» - Galets Dorés 2021

«Cool Costières de Nîmes is a Rhône Valley secret spot that overdelivers on quality. Whites are rare (5% of production), and this round blend of five grapes is light but packed with flavor.»
